

For the car 

Livio Radio

**Car Internet Radio Application
for DICE Media Bridge**

Product Description

Livio Radio has teamed up with DICE to offer the complete Internet radio solution for your car.

DICE's Media Bridge allows you to wirelessly connect your Android® or iPhone® to your factory car radio. Livio's award winning Car Internet Radio Application has been customized to work with the DICE system allowing access to over 45,000 AM, FM, and Internet-only stations without any monthly fees.

Any existing MediaBridge users can download the Livio application for free to access 300+ stations or upgrade to the full 45,000 AM, FM, and Internet-only stations with DICE MediaBridge access for a one-time fee of \$19.99 in the iTunes or Android store.

Product Summary

Product: Livio Radio Application for DICE MediaBridge

MSRP for DICE Hardware: \$249.99

MSRP for Livio Application: \$19.99

Key Features

- **True OEM Experience:** Unlike other solutions requiring wires, cables, and plugs, the DICE solution allows drivers to get in their car, and enjoy Internet radio as if it was factory installed utilizing the steering wheel buttons and factory stereo controls
- **Ditch Monthly Fees:** Break free from XM or Sirius Satellite Radio and enjoy unlimited access to over 45,000 AM, FM, and Internet-only stations from around the world through your car stereo with a one-time fee
- **Wireless Smartphone Integration:** Safely use the Internet connectivity features in your Smartphone with hands-free connectivity through your vehicle
- **Control Internet Radio through Car Stereo:** The DICE Car Kit allows users to control Internet radio through steering wheel or factory car stereo to browse, search, favorite or change stations just like satellite radio
- **Works with Six Makes/Models:** The DICE Car Kit works with over six brands including: Acura®, Honda®, Toyota®, Lexus®, Scion® and BMW® to ensure more music and less work for motorists everywhere
