

# 800+ NPR Stations. One Radio.

The NPR Radio  
by Livio®

## Product Overview

Stand-alone radio makes NPR stations, programs, content, and podcasts accessible to more people, in more places

- Sets up in minutes and plays NPR and Internet radio through its own speaker or through your home speaker system
- Searches for programming by genre, location or keyword
- Sleek design offers thousands of programming options without unnecessary features
- No monthly fee or subscription required

## Reciva Enabled

Reciva® is a global market leader in Internet radio technology, available in the form of hardware modules or as a software license. Reciva's technology delivers Internet radio station lists, premium services and a UPnP media player, allowing listeners to access many thousands of online radio broadcasts, as well as their own music libraries, without needing a PC.

Reciva is a privately held company based in Cambridge, UK.

## In the Box

- The NPR Radio by Livio with built-in WiFi antenna
- Remote Control
- Power adapter
- 6-foot Ethernet Internet cable
- User manual

## NPR

NPR® (National Public Radio) is an internationally acclaimed producer and distributor of noncommercial news, talk, and entertainment programming. A privately supported, not-for-profit membership organization, NPR serves a growing audience of 27.5 million Americans each week in partnership with more than 860 independently operated, noncommercial public radio stations.

Each NPR Member Station serves local listeners with a distinctive combination of national and local programming. With original online content and audio streaming, NPR.org offers hourly newscasts, special features and ten years of archived audio and information.

## Key Competitive Advantages

- First device to offer dedicated NPR stations, programming, and podcasts
- Includes additional 16,000 Internet radio stations through Reciva®
- Works independently from a computer
- Uses either a wired or a wireless Internet connection
- Automatic software updates with new stations and features
